The 17th Schools Olympic Program Season 2023/2024

Volleyball Competition playing system for boys for the preparatory and secondary stage

The Federation organizes leagues between schools approved in its records and they are as follows:

- (1) Secondary school league.
- (2) Preparatory Schools League.

The groups are distributed based on the absolute draw of the Serpentine (snake) system.

* Private Schools League:-

First: The first stage: -

Secondary schools:

The preliminary round of private schools (secondary) in the group league system is round robin system from one round only, where the participating schools are divided into groups according to the number of participation, provided that the **first and the second of (secondary schools)** with total of (8) teams qualifies to the round of (16) to compete with public schools.

Preparatory schools:

The preliminary round of private schools (preparatory) in the group league system is round robin system from one round only, where the participating schools are divided into groups according to the number of

participation, provided that the first, second, and best four (3rd place ranked) with total of (16) teams qualifies to the round of (16) knock out phase to have (8) teams to compete with public schools in the second stage.

Second: The second stage:

The matches of the second stage will be held in the round of (16) absolute draw in the group league in round robin system from one round, where the participating schools are divided into four groups in each group, 4 public and private schools, provided that the first and second qualify for the quarter-finals.

Third: The final stage: -

The matches of the teams qualified from the second stage are held in a knockout system with crossing system, provided that the winner qualifies for the semi-final round and then to the final.

FIVB rules are applied in all matches organized, as well as the regulations and rules of the school Olympic program.

The points are calculated as follows:

In all tournaments of the league system, points will be calculated as follows:

Team	Points
Winner	2 points
Loser	1 point
Forfeit	No point

In case of a tie between two or more teams in any position in the groups, the following shall apply:

The group will be arranged according to the following criteria:

- 1- Calculating the sets ratio (dividing win/Lose) sets.
- 2- If the tie continues, points ratio shall be calculated (dividing points won/points lost).
- 3- If the tie continues between the two teams, the side of the winning team in their match in the group or in the tournament prevails.
